1

Application folder

On the lower right corner of your desktop, click on the **application** folder. Inside, find and click on the **"WSU_Additions"** folder.
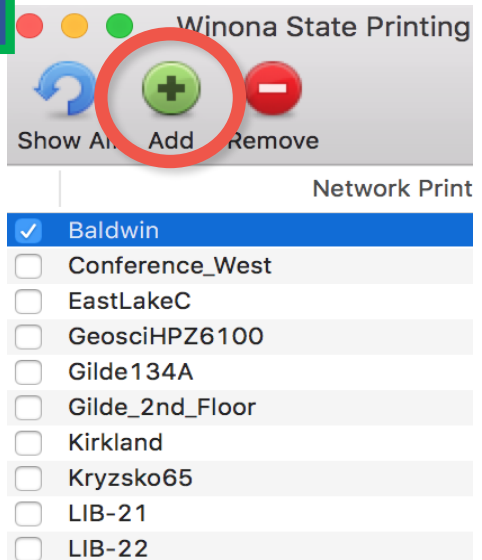

2

Click on **"PrintingAdditions"** to open it.

3

Now you should see a list of all the printers available at WSU.

4

Click the checkbox of the printer you want and then click the green **"Add"** button. You now have that printer installed and can use it whenever you need it.
