

Setup Zoom Mac

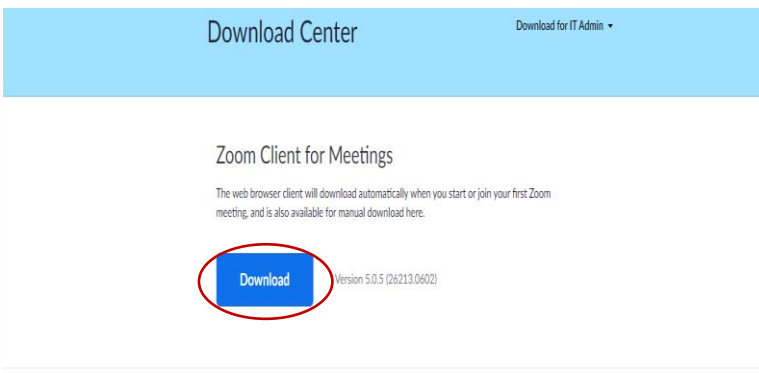

1.) Go to <https://minnstate.zoom.us/>

2.) Click “Download Client” at the bottom of the page.

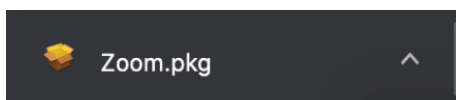

3.) Choose “Download” under Zoom Client for Meetings.

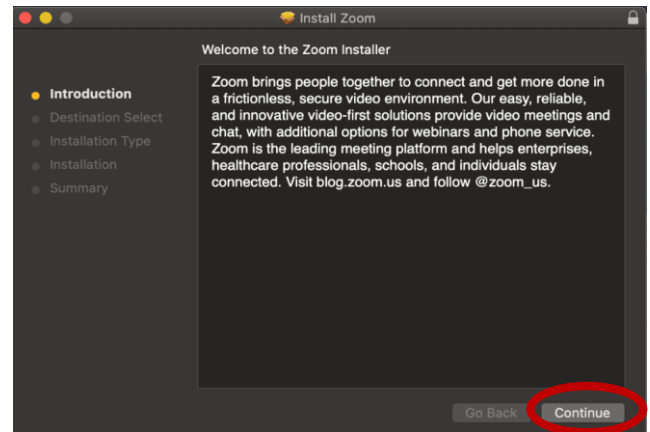

4.) Save this file to your Downloads folder.

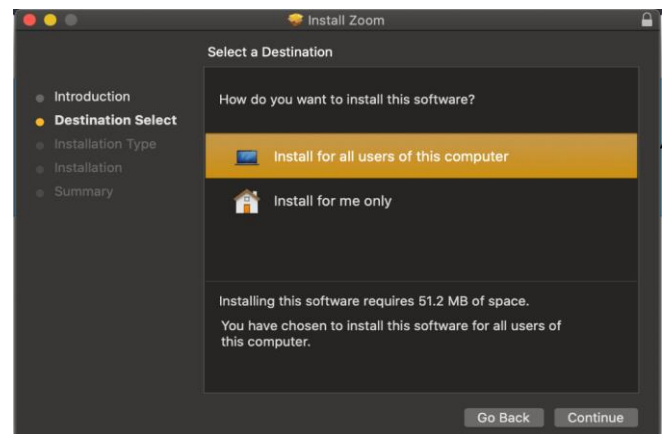

5.) Click on the **Zoom.pkg** then it will open.

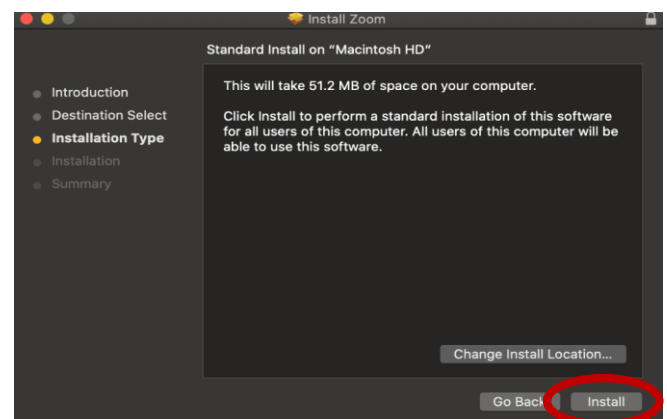

6.) Select **Continue** on the Install Zoom window

7.) Select **Install for all users on this computer** and click **Continue**.

8.) Click **Install**.

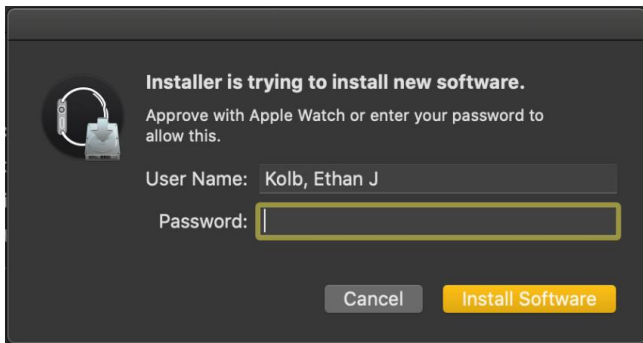

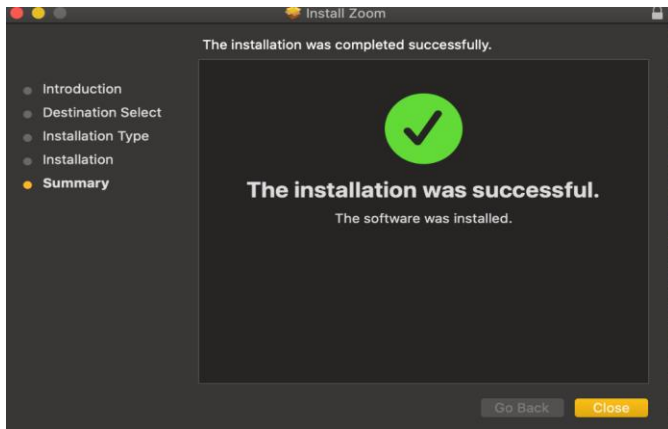

Setup Zoom Mac

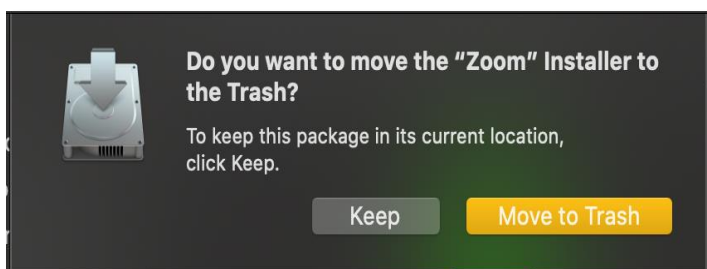

9.) For a Winona State Macbook, you will enter your **starid password** and click **Install Software**. (for a personal MacBook, you will enter your password for your mac)

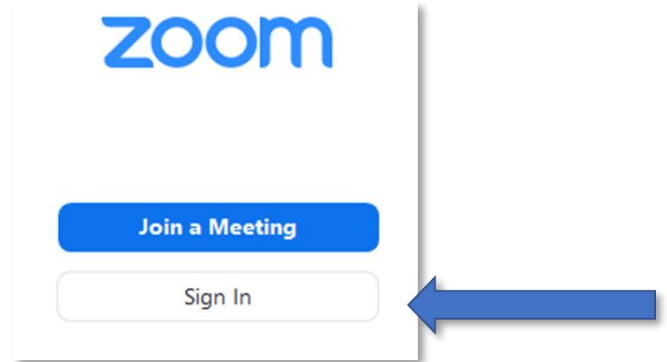

10.) Click **Close**

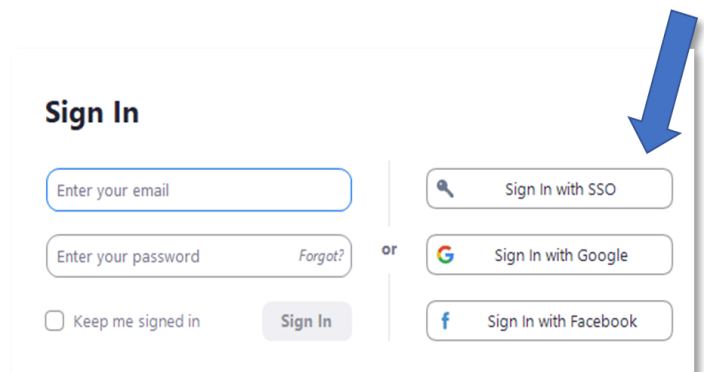

11.) Click **Move to Trash**, to move the installer package to the trash.

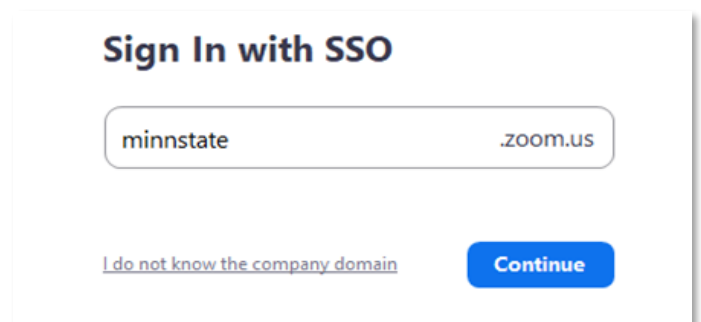

12.) After installing it will prompt you to sign in.

13.) After selecting the sign in option, it will take you to login screen, At the login screen select with **Sign in with SSO**.

14.) If it asks for a company domain enter **Minnstate**.

Setup Zoom Mac

15.) This will open a browser, and have you sign in with your StarID and StarID password.

A screenshot of a web form titled "Sign onto Zoom". The form has a white background and a thin grey border. It contains the following elements: the title "Sign onto Zoom" in bold blue text; a label "StarID" in bold blue text above a white rectangular input field; a label "Password" in bold blue text above another white rectangular input field; and a green rectangular button at the bottom with the text "Sign on" in white.

16.) After step 15, you will have full access to Zoom!
