

# PRINTER SETUP - MAC

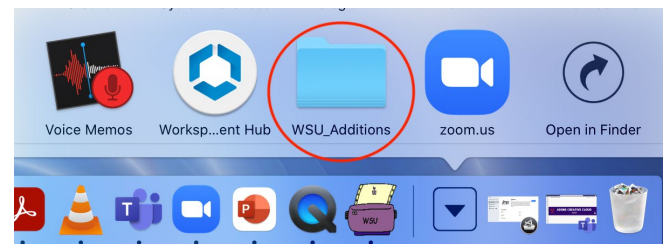

1. Click on the application folder located at the bottom right on your screen.

Application folder

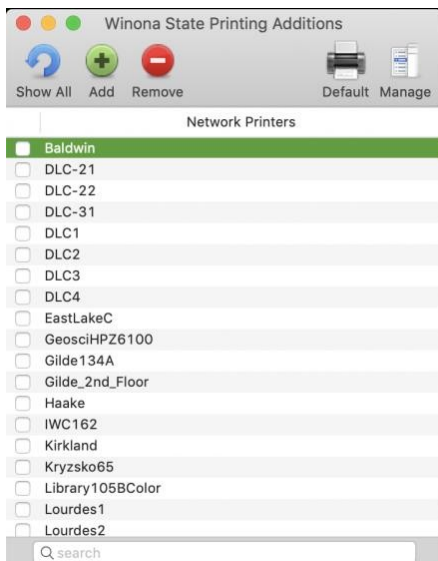

2. Scroll to the bottom and click on **WSU Additions**.

3. Click on **Printing Additions**.

4. You should see a list of all the printers available at WSU.

5. Click the checkbox of the printer you want and then click the **Add** button. The printer is now added and ready to use.
