

EVERYTHING YOU NEED TO KNOW

eWarrior Digital Life & Learning Program

Welcome to Winona State University!

During your mobile device setup session, you personalized your mobile device, connected to the Warrior network, logged into Office 365, sent yourself an email, and confirmed your primary email address.

Information about our program is available to you on our Technology Knowledge Base Wiki (learn.winona.edu). It is recommended that you take the time to review this information.

If you choose Safeware Damage & Theft Protection, your student account will be charged a one time fee of \$149 for 2 years of insurance.

You have 30 days to cancel for a full refund. If you did not purchase, you have 30 days to do so without requiring an inspection. Questions? Contact: safeware@winona.edu

EVERYTHING YOU NEED TO KNOW

eWarrior Digital Life & Learning Program

STUDENT TECHNOLOGY AGREEMENT

eWarrior Student Technology Agreement Reminders - The laptop you received was assigned to you as a student of Winona State. Should you leave Winona State for any reason, you must immediately return the laptop to the Technical Support Center in Winona (Somsen 207) or Rochester. You will be responsible for lost, stolen, and damaged laptops, as stated in the Technology Agreement that you have signed.

OFFICE 365

All Winona State students have Office 365 accounts. This includes 1) your email, 2) office web, mobile, & desktop apps, and 3) 1 TB of storage space on OneDrive. Login to Office 365 services with **[YourStarID]@go.minnstate.edu**. For more information go to http://learn.winona.edu/Microsoft_Office_365.

EMAIL --- Use your friendly email address (firstName.lastName@go.winona.edu) as your actual email address. Use your StarID@go.minnstate.edu to log in to your Office365 WSU email account. Please make sure that Winona State is your PRIMARY email address.

DIGITAL CITIZENSHIP PROGRAM

WSU's **Digital Citizenship Foundations** is the first course in our **Digital Citizenship Program**. This is a five-week course where we will be learning together online what it means to be responsible digital citizens in our increasingly interconnected world. By the end of this course, you will have a good working knowledge of key concepts and issues in the areas of **information literacy, data privacy and legal responsibility, and digital etiquette and hygiene.**
